business to extract maximum value from the **software** .

8. Try before you buy

Most vendors allow prospective buyers to download or request a trial
version of the **software** . In some cases, the **software** is fully
functional with a temporary license set to **expire** after a fixed time
period , usually 30 days but sometimes longer. In other cases, the
software is a "demo version" that has limited capabilities. Some of the
features may be **disabled** , or the amount of information that can be
entered may be limited. The documentation included in the...
